Ms. Beard:

The State Veterinarian requests that all facilities make every effort to submit their annual Animal Record Summaries by January 31, 2007. If your organization is unable to complete this request within a day or two of January 31st, contact us. **At that time, please provide us with reasons for the request of an extension.**

Instructions for completing the form and hard copy forms for recordkeeping purposes are located at:

Sincerely,

Dr. Haskell

Dear Dr. Haskell,

With regard to my e-mail below from yesterday, would it be possible to instead extend the deadline until February 28th? Thank you very much and I look forward to hearing from you at your earliest convenience.

Subject: 2006 Animal Record Summary Report

Dear Dr. Haskell,

I am writing on behalf of People for the Ethical Treatment of Animals (PETA) to request an extension on the deadline for filing its 2006 Animal Record Summary Report until February 15th. Please let me know if this is okay.

Thank you very much for your consideration.

Best regards,
